# Who we are and why partner with us.

Be part of our long-standing and widely anticipated Arts Alive Festival. Show your support of free, family friendly, community programming and let our professional events team ensure your participation and involvement is a success. To be part of the 2025 Arts Alive shows your support not only of the community, but of the visual and performing arts right here in British Columbia.

No one can whistle a symphony.  
It takes a whole orchestra to play it.

H.E. Luccock

# Arts Alive: Celebrating creativity.

Thanks to the generous support from the community and corporate partnerships, this event has flourished to become one of the premier art festivals in the lower mainland, attracting over 30,000 visitors to our downtown annually.

The entire two block stretch of the Fraser Highway one-way is closed for pedestrian traffic only, and everything is managed professionally and safely.

We attract media attention from all over Metro Vancouver and included in our extensive marketing strategy is print, radio, transit, video and social media marketing. In addition, the vendors are all provided with social media information and icons in the weeks prior to the event and the buzz about this festival is widespread as everyone shares on their channels.

Our 200+ vendors come to our event from all over the Lower Mainland, the Interior, Vancouver Island and parts of Washington. As this is a juried show, we are able to bring a vast array of artists and artisans that use a variety of materials and mediums. We sell out of vendor locations earlier every year as the event has a stellar reputation.

Throughout the festival you'll find performance zones with incredible entertainment. Local and world-class musicians, including some Juno nominated artists, keep the festival feeling vibrant and upbeat with amazing performances throughout the day.
